

Dialectical Behavior Therapy (DBT) Skills Group

Do you struggle in your relationship with food? Would you like to learn skills to make peace with your plate? Then this group is for you! Please join this small group of up to 6 members, and enrich your life with the practice of DBT Skills.

10-Week Therapy Group

to explore the four primary DBT Skills, with specific applications to recovery from eating disorders & food addiction:

- *Mindfulness Meditation*
- *Emotion Regulation*
- *Distress Tolerance*
- *Interpersonal Effectiveness*

Each week, you'll discover a new DBT Skill, and learn applications to your recovery and everyday life.
